

## 3 A's of College: Access, Admissions & Affordability

Presented by Dianne Keilholtz, NCC, IEC

Learn from a college admissions' expert the proven steps you can take to not only gain admission to one of your dream schools but to complete college without massive debt.

THIS WORKSHOP WILL ANSWER QUESTIONS ABOUT COLLEGE ADMISSIONS, AFFORDABILITY AND ACCESS

Applying for college can be difficult, overwhelming and stressful. Dianne Keilholtz, NCC, IEC has over 30 years' experience guiding students and families through the entire admissions' process. She is certified in helping all students, including those with disabilities, successfully transition from high school to college. Dianne will share her expertise in the area, with plenty of time for questions afterwards.
